LITTLE LEAGUE SOUTH

**MANAGER APPLICATION**

No other volunteer in our league has more direct impact on our young players than the manager. First and foremost, the manager is charged with the awesome responsibility of helping to shape the physical, mental and emotional development of young people. The manager must have the understanding, patience and capacity to work with youngsters. He or she must be a leader in terms of words and, more importantly, actions.

We in Milpitas National Little League South take our responsibility to choose quality managers and coaches very seriously. We are looking for men and women who not only possess knowledge of baseball fundamentals and the ability to teach those fundamentals but, more importantly, individuals who will instill feelings of self-confidence, pride, and accomplishments in the young people who are on their teams. Our fundamental concern is that children who enter our program will benefit from it in terms of their development as individuals, not just the development as ball players. Your actions as a manager will have the single most profound effect on whether your players have a positive experience in Little League.

If you feel that you can take on this responsibility, please answer the following questions and return this form. The league President will review all applications confidentially.
